

## MEMORANDUM

**To:** Honorable Mayor and the Frisco City Council  
**Thru:** George Purefoy, City Manager  
**From:** Curt Balogh, Director of Information Technology  
**CC:** Ron Patterson, Assistant City Manager  
**Date:** 10/14/2009  
**Re:** Inter-local Agreement with the Town of Prosper

---

### Background

The City of Frisco entered into an inter-local agreement with the Town of Prosper (Prosper) during FY04. This agreement provided GIS services to the Town of Prosper for a period ending September 30, 2004. During FY05 through FY09 there was an extension of the contract for these services. Attached is the proposed inter-local agreement for FY10 with the Town of Prosper.

Below you will find the benefits that both Frisco and Prosper will achieve by continuing this effort.

### Benefits for Frisco

1. Receive revenue exceeding expenses.
2. Increase staff at no direct cost.
3. Open the door for other external support opportunities, which could benefit other regional partners.
4. Facilitate regional planning.

### Benefits to Prosper

1. Leverage off our highly skilled GIS staff.
2. Utilize our data conversion contract.
3. Obtain a GIS for substantial savings.
4. Provide the powerful resources of GIS, during the Town's early growth.

**Financial Considerations:** The Town of Prosper will pay the City of Frisco \$45,000 in revenue for FY 2010.

**Support Documents:** Resolution, Interlocal Agreement, Statement of Work.

**Recommendation**

I recommend that the City Council approve the inter-local agreement.
